

Quartet® Aluminum Heavy-Duty Telescoping Easel, 66", Supports 45 lbs., Black

56E

Product Description

Popular, telescoping, heavy-duty display easel is made of heavy-gauge aluminum to support larger and heavier materials. The easel legs extend and display holders adjust to customize the positioning of your display.

Features

- Display easel features 1" tubular, telescoping legs
- Display holders adjust from 38" to 66" and securely support 45 lbs. of display weight
- Heavy-gauge, black aluminum tripod base includes a locking cross-brace to ensure stability
- Easel collapses for easy portability and storage
- Attach the Aluminum Pad Retainer Accessory (sold separately) to use this easel to hold flipcharts
- 100% Satisfaction Guaranteed
